Assumptions Used in Arriving at Fiscal Estimate <p>Due to limited funding, the overall number of CDBG grant awards is not expected to change significantly. The increased workload for grant specialists processing and underwriting more emergency assistance grants will be offset by a decrease in non-emergency grant applications. Therefore, the proposed rule revisions are not expected to have any significant fiscal effect on the Department.</p> <p>The proposed rules will not impose any significant costs on local governments or the private sector, because CDBG emergency assistance grants also include administrative funds for the local government.</p>			
Long-Range Fiscal Implications None known.
